

# The Z-Carts are here!

Once you have received your cart, please start utilizing it on your next pick-up day.

If you place your trash in the alley, please continue to do so. Street pick ups will remain the same.

Yard debris needs to be placed 3 feet to the side of your Z-Cart, then email us at

[www.pubworks.ci.zephyrhills.fl.us](http://www.pubworks.ci.zephyrhills.fl.us)

or call the Public Works office at 813-780-0022 to have it picked up.
