Prices are as follows:

¾" -----	\$473.78
1" -----	\$881.69
1 ½" -----	\$1,415.63
2" -----	\$1,733.95
Above 2" -----	\$Obtain current quote

Back flow preventor required on every outside water supply valve if inside the City.

Scheduled 40 PVC required.

IRRIGATION METER INFORMATION

Rates Effective 6/11/07/connect fee decreased 10/1/14

- COST: Same as above referenced price quotes.
- If property is INSIDE City limits there is a \$175.00 connection fee. Also there is a \$40 plumbing permit required which can be pulled by the homeowner, a plumbing contractor, or an irrigation contractor.
- If property is OUTSIDE City limits there is a \$218.75 connection fee. For further details contact the City of Zephyrhills Building Department (813) 780-0020.
- To begin processing of an irrigation meter, come to the Zephyrhills Building Department and paperwork will be written up with fees to be paid at that time.
- From date of fee payment – allow up to fourteen (14) working days for meter installation.
- If any further information is needed, please call 813-780-0020.
